**Ref.:        Significant Event**

Dear Sir,

Pursuant to articles 9th and 10th, second paragraph, of Law No. 18,045, and in accordance with General Regulation No. 30 of the Financial Market Commission, and in use of the authorities which I have been granted, I hereby inform to you, as significant event related to the businesses of Enel Generación Chile S.A. (the "Company") the following:

On the date hereof, the Company has entered into a document named Joinder, pursuant to which it has become a party of the instrument subject to foreign law named Commitment and Engagement Letter, dated December 31<sup>st</sup>, 2020, executed by, among others, Goldman Sachs & Co. LLC and Goldman Sachs Lending Partners LLC. The aforementioned instrument regulates the terms and conditions for the sale and assignment by the Company of the accounts receivable generated in its favor (the "Saldos") under the electric energy tariff for regulated clients transitory stabilization mechanism set forth in Law No. 21,185 (the "PEC Law"), for a nominal value of up to US\$ 200 million, approximately.

Those assignments of Saldos may be effected by the Company, from time to time, and subject to the fulfillment of several conditions precedent, to an unrelated entity specially incorporated for such purpose, named Chile Electricity PEC SpA (the "Purchaser"), pursuant to terms and conditions to be established in the instrument subject to foreign law denominated Sale and Purchase Agreement to be executed by and between the Company and the Purchaser.

Likewise, the Company is currently negotiating with Inter-American Investment Corporation (IDB Invest) the execution of an instrument subject to foreign law named Commitment Agreement, for the sale and assignment of Saldos to the Purchaser in the same manner mentioned above, which will be subject to the fulfillment of certain conditions. Given that such instrument remains under negotiation, on this date it is not possible to determine the committed amounts thereunder.

Considering that the potential assignments of Saldos, of the already recognized as well of those to be latterly recognized in favor of the Company by the operation of the PEC Law, are subject to the fulfillment of several conditions, it is not possible to determine the financial effects of those assignments at this date.

The Company will keep the market informed in the relevant opportunity of the execution of the Sale and Purchase Agreement, the Commitment Agreement with IDB Invest, and of any other information that is relevant for the execution of the operation.

Sincerely yours,

**James Lee Stancampiano**
