

## **INFORMATION OF INTEREST Sale Purchase Agreement**

**Santiago, March 31, 2021** - Enel Generación Chile S.A. (the "Company") announces the sale and assignment of the **second group** of balances generated in favor of the Company (the "Saldos") by application of the transitory mechanism of stabilization of electricity prices for customers subject to tariff regulation established by Law No. 21,185 ("PEC Law"), for a total nominal amount of US\$86 million approximately. The purchase price was received today by the Company.

The sale and assignment of the "Saldos" is framed within the terms and conditions agreed in the *Commitment Agreement* entered into by the Company with *Inter-American Investment Corporation*, in the *Commitment and Engagement Letter* entered into by the Company with Goldman Sachs & Co. LLC and Goldman Sachs Lending Partners LLC, and the *Sale and Purchase Agreement* entered into by the Company with Chile Electricity PEC SpA, which were previously reported by the Company to the Financial Market Commission through significant events dated January 20 and 29, 2021.
