

## PRESS RELEASE ENEL GENERACIÓN CHILE

### ENEL GENERACIÓN INFORMS

**San Clemente, May 14, 2019.-** We sincerely regret to report the death of two Ferrovial contractors who were working at Los Cóndores plant and we express our deepest condolences to their families. The accident occurred early this morning in the excavation area of the tunnel. The company immediately activated the emergency protocol by paralyzing the works and opened an investigation committee to clarify the causes of the accident.
