

2021-2022 Sustainability Plan  
Municipality of Coronel

SDGs	Activities	Targets 2022	Work Streams	Actions	Projects	Type	KPI	2020	Accumulated 2015_2020		
11	Make cities and human settlements inclusive, safe, resilient and sustainable		Housing, services and environment	<p><b>Coronel Resettlement Plan:</b> Management of PQRS mechanism, cleaning and protecting the area. Maintain the PQRS mechanism to solve specific cases presented by the resettled families and communities. Clean up land previously occupied by families that have been resettled, with a special emphasis on the removal of material that contains asbestos. Protect the land surrounding the plant and previously inhabited by the resettled families from illegal or illicit occupation.</p> <p><b>Plan for the Restoration of Livelihoods :</b> High-quality Home Repairs : Consolidate the physical capital of the resettled families by repairing their homes in the Doña Isidora and Huertos Familiares neighborhood that present constructive defects. While work is carried out on the houses, the families will move to other homes owned by Enel, already prepared for that purpose, as part of a temporary resettlement.</p> <p><b>Plan for the Restoration of Livelihoods :</b> Consolidate the social and physical capital of the resettled communities, with an emphasis on community participation and social cohesion: Contribute to the maintenance, management, and group activities of the Huertos Familiares Sports Center, building community and recreational infrastructure in the neighborhoods of Los Notros, Doña Isidora, Nueva El Esfuerzo and Lagunitas Norte. Meeting places will be expanded, built, and equipped, using eco-technologies that contribute to more sustainable cities and towns. Promote and operate a security system for the homes of the resettled families in the Los Notros neighborhood, through tele-surveillance technology, which incorporates the use of parts of high-end cell phones in disuse.</p> <p><b>Plan for the Restoration of Livelihoods :</b> Enhance social and physical capital of 9 evangelical communities placing emphasis on spiritual experiences, community participation and social cohesion. Replace the community infrastructure of 9 organizations.</p> <p><b>Strengthen human capital of families</b> with members that include women, pregnant women, children, older adults, indigenous community, LGBT people.</p> <p><b>Collaborate with local and regional organizations</b> to increase public spaces and green areas by constructing an urban park in the Aroldo Figueroa, Lo Rojas sector.</p>	Petitions, Complaints and Suggestions System - PQRS.
