

CURRICULUM VITAE

Edoardo Marcenaro

Rome - Italy

Work Experience

Enel Global Infrastructures & Network srl

Head of Legal & Corporate Affairs

January 2019 – present

I am in charge of the legal support in:

a. Business Development Legal Assistance

- to provide legal assistance to business development activities during both the origination, screening and the execution of new initiatives including negotiations of agreements with leading TSO/DSO in the country of Group's interest aimed at implementation of M&A transactions;
- to provide legal assistance in M&A deal execution (public tenders and equity transactions) including preliminary phases (e.g. acquisition of fields, pre-license, pre-permits), in non binding phase of above threshold deals and non binding and binding phase of below threshold deals;
- to manage relevant litigations regarding business topics, liaising with Holding in case of Group significant litigations.

b. Corporate Affairs and Compliance

- to manage Corporate Affairs for global company vehicle and for any other Distribution System Operator requesting such service, within Enel Group;
- to ensure an adequate information flow, also managing the relevant internal approval processes, on relevant corporate matters related to Groups' participated companies and referring to Global Infrastructure and Networks business topics and coordinating Corporate Affairs Units of the Countries;
- to manage activities related to international compliance standards, ensuring the implementation of compliance guidelines (e.g. 231/01 law, anti-bribery laws, anti corruption laws, etc.) within the business line.

c. Network Technology, Development and Commercial Operation Legal Assistance

- to provide legal assistance on technologies portfolio management and commercialization including intercompany Smart Metering Project contracts;
- to provide legal assistance during the scouting, screening and execution of new technology trends activities including agreements with relevant business partners;
- to provide legal assistance on initiatives of interest of the Global Business Line that could be financed through subsidized funding at European and transnational level;
- to manage relevant litigations regarding business topics, liaising with Holding in case of Group significant litigations.
